NEGRO STEALING RIDE CANNOT SHOW CARD

St. Louis Negro Is Being Held in Jail Here Until Word Can Be Received as to Whether or Not He Is Registered.

Officer P. Ryan this morning arrested Emerson Young, colored, and James Griffith, white, who were stealing a ride on the "blind baggage" of West bound C. & O. passenger train Number Five at the local station.

Both men were taken before Chief of Police Ort. The white man carried with him his registration card showing that he had registered for military service but the negro man did not have a card and was placed in the local jail to await further investigation.

The negro says that he was registered in St. Louis, Mo., and that he left that city with a party of laborers for Nitro, W. Va. When he arrived there he said he did not like the work and started to beat his way back home. He said that he was arrested at some point along the road between here and Charleston and the officers took his card and did not return it to him.

The local officers have started an investigation to learn whether or not Young has been properly registered.

MEN IN KHAKI ARE ADMITTED FREE

The management of the Washington and Gem Theaters have announced that in the future there will be no charge at either of their theaters for any man clad in khaki. This rule went into effect recently and the managers have just received a letter of appreciation from one of the men who was not permitted to pay the usual fee for admission.

Quite a number of the boys in the grades throughout the city are taking the manual training course at the Maysville High School. This work is progressing and the boys are enjoying their work immensely. It is expected that before the winter season comes there will be a very large class in this training.

CRISIS NEAR ON WESTERN FRONT; RETREAT BEGUN

German Begin Retreat on 20-Mile Front Haig Announces—Germans Admit Western Front Is Crumbling.

AN ADMISSION

Paris, October 3.—The German situation on the western front is grave, the Frankfurt Zeitung admits, adding that the German front is gradually crumbling.

Paris, October 3.—While the enemy is throwing reserves recklessly into the center of the farflung battle line in a desperate effort to stave off the hour of doom the Allies continue to progress on the wings.

Splendid advance has been made by the Allied forces under King Albert of Belgium.

The Germans must find an effective way to defend Lille, one of the two pivots of the whole German system in France. Metz is the other. The German line of communication between Ostend and Thorout is in peril and the Roulers-Menin railroad is cut. The second line of railroad from Bruges to Courtraal is under shell fire.

In the center the enemy resistance is failing. Le Catelet has been taken. On the right General Berthelot is still driving the Germans away from Rheims region and General Couraud is making headway, slow but important, in the Champagne.

Everywhere the signs of battle indicate the approach of the critical phase.

London, October 2.—The Germans are retreating on the 20-mile front between Armentieres and Lens. Field Marshal Haig announced today. They are evacuating highly organized positions held since the beginning of trench warfare.

The retirement already has reached a maximum depth of two miles, and the British advance is continuing.

The Germans have fallen back to the line of Cite St. Auguste, Douvrin, east of La Bassée, east of Aubers and west of Bois Grenier.

Cite St. Auguste is about a mile distant north of Lens. Douvrin is a mile and a quarter southeast of La Bassée. Aubers is four miles north of La Bassée. Bois Grenier is two miles directly south of Armentieres.

The British attack north of St. Quentin was renewed this morning.

With the Americans West of Verdun, October 3.—The Germans, it was further indicated today, are withdrawing from advanced positions in the Argonne region to the Kriemhilde-Stellung line.

Their retreat is protected by a strongly placed machine-gun position in the difficult ground between their advanced line and their new defenses.

Artillery fighting increased considerably this morning.

Weather continues cold and roads are drying rapidly, improving fighting conditions.

26 KILLED IN WRECK THIS MORNING

Cleveland, Ohio, October 3.—Twenty-six munition workers were killed and between 18 and 30 others injured, four probably fatally, today when Pennsylvania passenger train No. 625, from Akron to Cleveland, crashed into a crowd of workmen alighting from a local train at Bedford, a suburb, 10 miles from here. Railroad officials say many of the workmen alighted from the local train before it stopped and, in a heavy fog, stepped over on the north bound track, where the passenger train struck them. Twenty-two of the men were instantly killed and four others died after being taken to the hospital.

PUTTING OFFICE IN FIRST-CLASS SHAPE

Workmen are engaged in remodeling the building in Second street formerly occupied by the Kroger Grocery. This building is being put in condition for Sherman Arn, the real estate and insurance man, who in a short time will move his office. This will be one of the best located offices in the city.

WHAT EVERY DAUGHTER IN MAYSVILLE SHOULD SEE

The General Film Co. present that peerless Star, Anna Luther, in a thrilling problem play, "Her Moment." This picture will be shown at the Pastime this afternoon and night.

The Ripley Bee of this week reports that \$11,000 was realized from the big Red Cross White Elephant sale held in Ripley last week. This sale drew the largest crowd to Ripley that had been in that town for years.

CITY IS WITHIN VERY EASY REACH OF LIB- ERTY LOAN QUOTA

But Every Citizen Is Urged to Do His Best During Rest of the Week—First Ward Is the First in the City to Reach Its Apportionment.

A wonderful showing was made today by the Liberty Loan teams in the six wards in the city of Maysville and the city is now within easy reach of its quota. It appears that there will be little trouble for the teams to meet the city's apportionment before the close of this week but every person is urged to do their part when the teams call.

The First Ward is the first ward in the city to be reported as having reached its quota. This ward's quota was fixed at \$30,000 and later raised to \$40,000. Mr. E. T. Kirk, chairman of the First Ward team, announces that his team has now approximately \$45,000.

The Sixth Ward team has made a wonderful showing and is very near its quota while the teams in all of the other wards have done almost as well. This afternoon the Fifth Ward team has a total subscription of \$27,100 on their quota of \$30,000 with some of the most able and most liberal citizens of that ward yet to visit.

The local Liberty Loan committee is expecting the total to take a great big jump tomorrow evening when the War Trophy train arrives here for a two hours exhibit. At every place where this train has stopped in this state the sales have been very large.

The largest single purchase of bonds reported for today by the banks was that of Mr. Theo. H. Kirk, of the Reynolds Tobacco Company, who purchased \$5,000 worth. This sale was credited to Dieterich precinct as the Reynolds Company's plants are located in that precinct.

At the close of business this afternoon reports show that during the day the total sales amounted to \$51,050 bringing the total up to date up to \$268,150 distributed among the precincts of the county as follows:

City of Maysville	\$177,700
May's Lick	23,700
Washington	5,250
Lewisburg	8,400
Helena	3,300
Fernleaf	1,500
Hilltop	9,700
Plugtown	7,600
Germantown	500
Minerva	150
Dover	250
Sardis	5,000
Orangeburg	650
Dieterich	7,150
Murphysville	150
Plumville	650
Non-resident	17,100

Total sales to date, \$268,150

TURKEY QUILTS

Turkey has asked for an armistice agreeing to accept Allied terms unconditionally according to special news flashes now going over the wires from Cincinnati. The report has not been officially confirmed.

ORDERED TO GET READY FOR EARLY CALL

Ernie Ort, son of Chief of Police Harry A. Ort, who a few days ago enlisted in the United States Marines, has received instructions from the officers at Cincinnati to prepare for a call which may reach him by October 10.

CONCERT NEXT SUNDAY WILL FILL OPERA HOUSE

Community Chorus Will Present Very Pleasing Program at Washington Opera House—No Admission Charge.

The Officers of the Community Chorus organization, are planning to present to the people of Mason county, the finest sacred musical concert they have enjoyed in many days on next Sunday afternoon.

This organization has been rehearsing each Sunday afternoon for over a month and the seventy-five members will render some music that will favorably compare with that rendered by some of the larger city organizations.

We may consider ourselves fortunate in securing the services of such a finished musician as Miss Lula McClellan of Middletown, Ohio. Miss McClellan has filled many engagements on the concert platform and will please the most critical with her beautiful whistling and artistically rendering piano solos.

Mrs. Alfred Peed one of our own vocalists, residing at Mayslick will render a beautiful selection by Dudley Buck, "My Redeemer and My Lord." The many admirers of Mrs. Peed's fine quality voice will welcome this news as it has been some time since she has done concert work in this locality. We can assure those who have not heard Mrs. Peed there is a treat in store for them if they attend the concert. Mrs. Peed has studied under some of the best known instructors of New York State.

Mrs. Carl Dodds will also render a beautiful vocal solo. Mrs. Dodds has won her way into the hearts of the people of Maysville and Mason county with her splendid voice and pleasing personality.

The program will commence promptly at 3 p. m. next Sunday afternoon at the Washington Opera House and everyone is urged to come early if they desire a good seat. From the reports that are coming in there seems to be a great possibility that the Opera House will be crowded. There will be no admission charged at the door but an offering will be taken by the girls of the Settlement Club, the proceeds to be used in the purchase of music and defraying concert expenses.

Miss Margaret R. Brown will open a night class in Bookkeeping Monday, October 6th. 2-3t registered at the Central today.

PROMINENT MEN WILL SPEAK AT CONFERENCE

Some of the State's Leading War Workers Will Be Here to Attend Big Allied War Work Conference to Be Held at Beechwood Tomorrow at Noon.

Arrangements are now all complete for the district conference of workers in the Allied War Work drive which will be held at Beechwood Park tomorrow at noon. Cards have been received from a large number of workers in the district which is composed of Mason, Fleming, Lewis and Bracken counties.

Word has been received from C. A. Tevebaugh, of Louisville, State Secretary of the Y. M. C. A. in Kentucky that he will be present and besides Mr. Tevebaugh other prominent speakers will be George E. Hays, F. J. Resler, P. H. Callahan, C. W. Morris, C. C. Camden, C. L. Harris and Adjutant Gourlay.

Arrangements for all of those who will attend the banquet will be made and the conference will take up plans for the big campaign at the close of the banquet. It is expected that at this meeting the entire district will be thoroughly organized and the workers will return to their homes filled with enthusiasm to put the campaign "over the top."

HUNTINGTON TOWNSHIP'S BOND QUOTA

Brown county, Ohio, has been given a quota of \$549,050 for the Fourth Liberty Loan and Huntington township in which Aberdeen is located has been given a quota of \$26,000. As many people in Huntington township do their banking business in Maysville a part of their quota has been charged against Mason county.

Judge and Mrs. J. C. Douglas, of Chillicothe, Ohio, and Mr. and Mrs. Edward A. Schenk and son, of Wheeling, W. Va., were two motor parties registered at the Central today.

QUITE A BIT OF LINEN COLLECTED

Young Women of the Mason County Red Cross Chapter Have Collected Quite a Bit of Linen for the People of France Today.

At ten o'clock this morning the young women of the Mason County Red Cross Chapter started to collect linen in all parts of the city which will be sent to France as a linen shower from the United States. The young ladies had been divided into committees to cover the various wards in the city and precincts in the county and each committee was furnished with an automobile.

People were asked to put their linen on their front porches so that the committee calling for it would not be delayed and would be able to get entirely through their work in a short time.

Reports come from all of the wards in the city and from most of the precincts in the county to the effect that quite a large amount of linen was collected. Many people who had no linen to contribute gave money with which the Red Cross will purchase linen and forward it to France.

Recently the young ladies of this community gathered old clothing for the Belgians and in both of these campaigns the people of Maysville have shown their patriotism as in all other war campaigns.

TIME OF EVENING SERVICES CHANGED

All of the local ministers have agreed to change the time of evening church services to 7:30 instead of 7 o'clock until the time schedule is changed the latter part of this month. This change will also apply to Prayer meetings.

KAMERAD

Let no American delude himself in this hour of successful allied arms that German official overtures are to be relied upon. The German junker knows no peace save that which occasions a requiem. And German democracy has left its stamp in the outraged fields of France.

In support of this warning we present two views of internal German conditions. These should be borne in mind while the German peace drive is under way. The first view has been brought back to America by Frank Bohn, just home from Switzerland. Mr. Bohn brings the views of four distinguished Germans and his own confession that he has been purged of the optimism which led him to exaggerate the importance of German democratic forces. One of these Germans is a leader in industrial life. He is quoted:

"Place absolutely no hope in any party or class within Germany. Any suggestion that the war is an evil is met with the answer: 'Are we not better off than others? Are we not fighting on enemy territory? Have we not won every battle?' The very soldiers who have been hospitably entertained as individuals by French women and children of the occupied districts went and burned down the very houses in which they had eaten and slept. I am hopeless about Germany. Only defeat can give her a new beginning."

This is from a profound German scholar, the son-in-law of a prominent junker.

"There is not a shred left of the old cultural life of Germany. People think of absolutely nothing but getting rich individually and brow-beating other people nationally. Do not think you can talk to them about freedom. You must beat them down physically first."

And here is the most pointed of all. Dr. Rosemeier, a former Berlin journalist, was asked why he did not write something to move the German people:

"Nonsense! Haven't I been writing my fingers off for thirty years? What those fellows need is not ideas for their brains; they need bombs on their skulls. Help can come only from one place, from Bethlehem—Bethlehem, Pennsylvania. They will cheat you yet, those junkers. Having won half the world by bloody murder, they are going to win the other half with tears in their eyes crying for mercy."

There we have views of German democracy; not a stable, free thinking democracy in which we are wont to put faith, but a pliant, subservient constituency into which the kultur of junkerdom has sunk deep down and which is urged to conquest by promises of future ecstasy.

Now, then, if there still remains a doubt of the nature of German peace propaganda, take a few lines from a debate in the upper house of the Prussian parliament, quoted in Zukunft, Maximilian Harden's Berlin newspaper, of July 27:

"Our troops and their incomparable leaders have crushed our enemies." This was from a speech by Count Behr in the upper house of the Prussian diet. "We shall arrive at peace only by our good sword. It is only to our kaiser that we owe it that our glorious army and our splendid fleet have enabled us not only to stand up to a world of enemies but to hit them on the head."

It will be perceived that the date is nine days subsequent to the beginning of the allied drive, but the Zukunft is reporting the proceedings before that date, wherefore the Prussians were talking out of the elation lent them by the German friedenturn which failed so dismally.

Dr. Friedberg, vice president of the Prussian ministry, had this to say in the same session:

"We are convinced that the German sword will win the victory, and we share the view that this victory is no longer distant."

Herr Denburg, former colonial secretary: "I have not the smallest doubt of the absolute will to victory of the German people and of its right to victory."

Count York von Wartenburg: "It is only by fighting that nations win life. I hope that the financial dependence of Prussia upon the empire will be greatly reduced by a large war indemnity."

Count Rantzau: "The Belgian breed of horses will be indispensable to us after the war, and will provide us with our best and heaviest half breeds."

There is the scope of the junkers—from "incomparable leaders" to "best and heaviest half breeds." The idea is to loot the world. Peace, except as imposed by the German sword, has no place in the junker ambition.

Cincinnati First In U. S. To Lend In Fourth Loan

PRESIDENT CHARLES A. HINSCH, of the American Bankers' Association, and also president of the Fifth-Third National Bank of Cincinnati, O., undoubtedly was the first person in the United States to pledge his subscription for the Fourth Liberty Loan. He is shown herewith clipping his coupons from the Third Liberty Bonds, due September 15, to be applied to the payment on his subscription to the Fourth Liberty Loan. Chairman E. R. Ferguson, of one of Cincinnati's teams, obtained Hinsch's subscription more than a week before the campaign opened.

"The next Liberty Loan will be the largest ever offered in the history of mankind," Hinsch said. "But while the task of disposing of \$60,000,000 of Liberty Bonds is a heavy one, there will be no question about the patriotic people of this country purchasing. I think the idea of utilizing the coupons that matured on September 15 as part payment in connection with the present Liberty Bond issue to be a most excellent one, and we shall gladly encourage our patrons so to invest the proceeds of coupons. I think this a happy suggestion, which has been made to me and one which should be taken up in every Federal Reserve District of the United States."

If every subscriber to the Third Loan applied his September 15 interest—\$1.49, which is the interest dated from May 8 to September 15 on a \$100 bond—to the first payment for the Fourth Loan, approximately \$60,000,000 would be realized throughout the United States.

The following table, based on a \$5,000 subscription during the Third Loan, and a like amount for the Fourth Loan, the reinvestment of the interest on the Third Bonds into the Fourth Bonds means just this:

Third Liberty Loan subscription	\$5,000.00
Interest due September 15	74.50
Fourth Liberty Loan subscription	5,000.00
Possible Government requirement (5%)	250.00
Amount you would have to pay	175.50

HER IDEA OF LIBERTY BONDS
*None at home in easy chairs,
 None with brothers and sons,
 Buy bonds for home fighting for you
 On the hills, the forests, the
 Buy till the last word for expense,
 Victory won, and the Kaiser returns,
 And the sun shines on a peaceful world
 With America's flag everywhere unfurled.

How Many Boys Will You Send to France?

By Arnold W. Rosenthal.
 It costs \$120 to send an American soldier over seas. This is the bare cost of his transportation. And he must be there, if your life and your children's lives are going to be worth living. Every time you buy a Liberty Bond, think of the money you have invested in terms of transportation. Figure up how many boys you are sending over. And then decide, how many more you are going to send.

Liberty Loan Wisdom

"God Be With Our Boys Tonight!" Sounds lovely and is true, But when you pray DIG UP AND PAY! Just go and buy a BOND today And you'll be with them, too! Who steals my purse steals trash indeed If in my purse, all gone to seed, Remain the dollars I should pay To buy a Liberty Bond today!

AMERICAN TROOPS GREAT TO LAUGH

John Kendrick Bangs, American
humorist, has just returned from a
trip to France where he lectured,
many times within range of the Ger-
man guns, under the official "Daddy"
of one American division, and came
home full of renewed enthusiasm for
the A. E. F.

"They're all buckled up and as long
as they are that way they will be
irresistible," was Mr. Bangs' verdict.
"The easiest place in the world to
arouse a hearty laugh is among the
American troops overseas."

LEDGER'S CIRCULATION IS GROWING RAPIDLY

That the people of this community
are pleased with an afternoon news-
paper is shown by the large number
of new friends we are adding to our
subscription list. Within the past ten
days thirty new subscribers have been
added. The Ledger being an evening
paper is proving the favorite with the
housewife who has time to read the
news in the evening and wants the
news before it is twenty-four hours
old. Our phone number is 40 and
we will be glad to start the Ledger
immediately to any who might call.

WAR COMES FIRST, SAYS THE LEAGUE FOR DEFENSE

Maryland League For National De-
fense Says the Really Big Con-
tract Is In France.

The Maryland league for National
Defense is urging the business men of
Baltimore to send out folders pre-
pared by the League for the purpose
of keeping before the public the fact
that, no matter what inconveniences
in business and personal affairs we
who stay at home must suffer, the
really big contract is in France. "Busi-
ness as usual" is the wrong slogan,
says the League. "Business is better.
War, not business comes first." But
let us quote the folder, which cer-
tainly makes the situation plain. It
says in part:

"We have a big contract to put
over in France, with a million men al-
ready on the job. Until that contract
is fulfilled—until the last detail of its
gigantic plans has been carried out—
ordinary business must be secondary.
It has no right to interfere nor to de-
tract from the Nation's business."

"If a case of goods is delayed—if
there are some goods you can't get at
all, oh if the Government comman-
deers your stocks and takes over your
space for a warehouse—remember the
big contract in France and ask your-
self how much you are doing for its
success."

"If you have to eat war bread—if
you are limited to two pounds of sug-
ar a month, and even if beefsteak
does cost fifty-five cents a pound—re-
member the big contract in France
and ask yourself if you are entitled
to these things more than the men on
the firing line."

"If you can't get your winter's coal
supply in mid-summer — if lightless
nights and heatless Mondays will con-
tribute in even the slightest degree
to relieving the fuel shortage and les-
sening traffic congestion—remember
the big contract in France then take
a good honest look into your own
heart and see if it isn't a pleasure to
do these things. And a whole lot
more."

"Truth is, there are a lot of us chaf-
ing under the restraint of enforced in-
action—some too young, others over
the age limit or too heavily burdened
with responsibilities—who could and
would make good fighters."

"Let us be the leaders in a spirit of
cheerfulness that will laugh at such
inconveniences and show others how to
do that same thing."

"Good advice. And not so hard to
follow, either. We all can do some-
thing to put over the big contract.
Let's do it. If we can't go over there
and fight, let's stay at home and make
it easier for the men who are fighting.
Let us be leaders in cheerfulness over
here. Just let's make a solemn prom-
ise to ourselves that we will do our
part. That's all."

BACKACHE IS A WARNING

Maysville People Should Not Neglect
Their Kidneys.

Backache is often nature's most fre-
quent signal of weakened kidneys. To
cure the pains and aches, to remove
the lameness when it arises from
weakened kidneys, you must reach
the cause—the kidneys. If you have
pain through the small of your back,
urinary disorders, headaches, dizzy
spells, or are nervous and depressed,
start treating the kidneys with a test-
ed kidney remedy.

Doan's Kidney Pills have been
proved good and are especially for
weak kidneys. Doan's have been used
in kidney trouble for over 50 years.
Read Maysville testimony.
Mrs. E. Sphar, E. Second and Wal-
nut Sts., says: "I have never seen
Doan's Kidney Pills fail to help any-
one complaining of their kidneys. I
have been greatly benefited by them
myself. At times my back has ached
and I have suffered from lameness
through the small of my back. When
I have been in that way, I have used
a box or so of Doan's Kidney Pills,
which I procured at Chanor's Drug
Store. They have always quickly re-
moved the trouble."

Mrs. Sphar is only one of many
Maysville people who have gratefully
endorsed Doan's Kidney Pills. If
your back aches—if your kidneys
bother you, don't simply ask for a
kidney remedy—ask distinctly for
DOAN'S KIDNEY PILLS, the same
that Mrs. Sphar had—the remedy
backed by home testimony. 60 cents

STOMACH TROUBLE

Mr. Marion Holcomb, of Nancy, Ky., says: "For quite
a long while I suffered with stomach trouble. I would
have pains and a heavy feeling after my meals, a most
disagreeable taste in my mouth. If I ate anything with
butter, oil or grease, I would spit it up. I began to have
regular sick headache. I had used pills and tablets, but
after a course of these, I would be constipated. It just
seemed to tear my stomach all up. I found they were
no good at all for my trouble. I heard

RHODE ISLAND RED FLOCKS WILL BE INSPECTED

Expert From the Experimental Station Will Be Here the First of Next Week to Look Over Flocks.

The Mason County Poultry Association received word from Mr. D. D. Slade, of the Experimental Station saying that he will be in this county next Monday, Tuesday and Wednesday to go over the flocks of Rhode Island Red chickens and cull out the non-producing birds.

The Association feels greatly indebted for the interest manifested by the Experimental Station in promoting the Rhode Island Red interest in this community and will lend them their unlimited support in the proposed effort.

Mr. Slade will have his headquarters at the Chamber of Commerce during his three days stay in our county and any person desiring him to look over their flocks should phone the word to the Chamber of Commerce at once.

The Mason County Poultry Association will see that Mr. Slade inspects the flocks of their members and some of the others throughout the county of which they have a record, but they will not know of all the flocks throughout the county and it will be wise for every person desiring their flocks inspected to make known their desires.

TO CONSIDER BAND ORGANIZATION

There will be a special meeting of the Board of Directors of the Chamber of Commerce late this afternoon to meet Mr. John H. Young, who comes to this city from Connersville, Ind., with the intention of presenting a proposition relative to organizing a Boys' Band.

Mr. Young has had quite a wide experience in this line of work and has proven very successful in all of his endeavors, having been located at Connersville for some three years and the organization in that city bears an envied reputation.

TOBACCO FAIR COMMITTEE WILL CANVASS TOMORROW

Mr. Stanley F. Reed, a member of the special committee appointed to canvass the local merchants to offer booths at the Corn and Tobacco Fair for this season, was called out of the city today and the committee postponed its canvassing until tomorrow morning.

In the County Court this afternoon the sale bill of David Douglas, deceased, was produced in court and ordered filed.

BAND CONCERTS WILL BE HELD ON MARKET STREET

Local Liberty Bond Committee Makes Arrangements For Concerts By Great Lakes Naval Band on Market Street Next Tuesday.

The Mason County Liberty Loan Committee has now completed all arrangements for the two concerts to be given here on next Tuesday by the Great Lakes Naval Training Station's Band of sixty pieces. The band will arrive in Maysville over the L. & N. at 9:45 a. m. Tuesday and will march to Market street.

Arrangements were made this morning with Mayor Russell and Chief of Police Harry A. Ort for the concerts to be given on Market street between Second and Third streets. A platform will be built around the fountain and the speakers will be upon this platform and the band around it. Chief Ort will draw traffic ropes at Second and Market and at Third and Market and no vehicles will be permitted in this space so that all can hear the band and the addresses to be made by the speakers traveling with the band.

The first concert by the band will be from 10 to 11 a. m. when there will be speaking. There will then be a recess of an hour for dinner and another public speaking from the platform at 1 o'clock after which the band will give another concert. The party will take the East bound local C. & O. at Market and Front streets at two o'clock.

This is a wonderful opportunity offered the people of this section and besides the great band which was trained by John Phillip Sousa there will be speakers of national reputation but their names cannot yet be announced as the committee does not yet know who they will be.

Maysville has been wanting to hear a great band and this is said to be the greatest band Uncle Sam possesses so the city should be filled.

Remember there will be but two concerts and they will be both held in Market street unless the weather does not permit and in case of bad weather the concerts and addresses will be in the Washington Opera House.

ITALIAN HAD REGISTERED BUT WAS NOT CLASSIFIED

Charles Serra, Italian Held in Local Jail, Released Yesterday When His Questionnaire Was Filled Out and He Was Put in Class One.

Several days ago, it will be remembered, Charles Serra, an Italian who recently moved here from Cincinnati and lived in Eastland addition, was brought before the Mason County Exemption Board by a man who claimed he was a private detective.

Serra could not show his registration card but said he had registered in Cincinnati. He was placed in the local jail and the local board began an investigation. They learned yesterday that Serra had registered in Cincinnati but that he had left there and had not properly filled out his questionnaire and had not been classified.

He was brought before the local board and his questionnaire was filled out for him. He was then classified in Class A 1 by the local board and will be sent away from this place instead of Cincinnati when a call for Class One men is received here.

Mr. and Mrs. John Breslin, of Poplar and East Second streets are the proud parents of a fine baby girl born yesterday.

ALL SET FOR BIG WAT TROPHY TRAIN COMING TOMORROW

Indications Are That Thousands of People From All Over This District Will See the War Trophies Being Brought Here Friday Night on a Special Train.

All arrangements for the coming of the big Army Trophy Train have now been completed and the committee will be on hand promptly at 6:30 o'clock the time the train is supposed to arrive here. As the train is only coming from Carlisle, there is no reason to believe that it will be delayed in reaching here.

Advertised as extensively as anything that has come to Maysville in years, this great free exhibit of German war material captured from the Huns on the Western front, should be seen by thousands of people.

The train makes no stop within twenty-five miles of Maysville and people from all of this district are expected here to view the great free exhibition made possible by the United States government through the Central Liberty Loan committee of this district. Word has been received that people are coming from Vanceburg, Dover, Augusta, Ripley, Manchester, West Union, Georgetown, Mt. Olivet, Flemingsburg and all nearby towns and communities.

Arrangements have been made to care for a very large crowd and all who come will get an opportunity to see the great train and its interesting load of war trophies. There will be interesting addresses by men who know something about the great conflict in which we are now engaged and those who miss this wonderful opportunity will certainly miss a rare treat. It is all absolutely free.

MANY WILL ATTEND LUNCHEON FRIDAY

The committee in charge of arrangements for the Allied War Work Conference to be held at Beechwood Park Friday at noon announce that they have received cards from quite a number of people over the district announcing that they will be here to attend the meeting. A splendid luncheon will be served by Host Rhomiller.

WILL SEE MOST EVERYONE BEFORE END OF WEEK

The city Liberty Loan teams are working both day and night canvassing the people in their various districts. Every person in the city is on one of the lists and if the teams keep up the progress they have thus far made, every person in the city will be seen before the end of the week.

MEMBERS OF FOREIGN LEGION JOIN TROPHY TRAIN

Grizzled French Veteran Will Speak to Mason County People From Trophy Train Through an Interpreter — French Corporal Wounded Three Times.

Word has just been received here that two members of the Foreign Legion now in this county in the interest of the Fourth Liberty Bond campaign have joined the Trophy Trains which are touring the Central division.

Corporal Francois Dalecky is aboard Train No. 2 which will arrive in Maysville at 6:30 o'clock tomorrow evening. Traveling with him is Percy di Gelmaidi who acts as interpreter for Corporal Dalecky has not yet learned to speak the English language.

Corporal Dalecky wears the French Croix De Guerre and has been twice cited for gallantry in the present war. He has had a wonderful experience and while but 26 years of age has been wounded three times, once on the Western Front, once at Gallipoli and once at Saloniki. His message will certainly be wonderful and the people of this section of the country should feel proud of this opportunity of looking upon and hearing one of the French heroes.

This announcement that Corporal Dalecky will be with the Trophy Train should help swell the great crowd of people who will be in Maysville tomorrow to look upon these captured trophies.

GROCERS WILL HOLD MEETING TONIGHT

There will be a very interesting meeting of the Maysville Retail Grocers' Association at the Chamber of Commerce this evening. This meeting is one of the most important meetings scheduled for a long time and every retailer in the association should be present to determine whether the organization should continue through the winter or disband.

NEW RICHMOND GIRL GIVES LIFE IN SERVICE

Among the deaths reported from Camp Sherman this week, due to bronchitis and coryza, was that of Miss Eunice Jennings, a nurse, whose home is in New Richmond, Ohio. She gave her life caring for the boys in khaki who had become afflicted with the dread disease. She took ill a few days ago with pneumonia and died Monday morning at 5:30. Miss Jennings had been attached to the base hospital for the past several weeks.

FARMERS WILL DIS- CUSS EMPLOYING A COUNTY AGENT

County Commissioners Will Hold Meeting Saturday Afternoon With Farmers to Discuss the Employment of a New County Agent.

Since the resignation of County Agent E. F. Boyd goes into effect the first of November the County Commissioners have begun to look about for the employment of a successor for him to take the office as soon as Mr. Boyd steps down but they are anxious to discuss the matter with the farmers and to learn whether or not the County Agent is really worth while to them and the sort of a man they desire to fill the office.

To this end the County Commissioners have called a number of representative farmers from all parts of the county to meet with them on next Saturday afternoon at the Court House. The following gentlemen have been asked to meet with the County Judge and the Commissioners at 2:30 o'clock Saturday afternoon: Thomas Molloy, Minerva; Robert Watson, Murphysville; Ben Marshall and Jack Walton, Washington; Pat Manion and Pete Cracraft, Mayslick; Alex Marshall, Lewisburg; Charles Rhodes, Helena; George Sedden, Orangeburg, and Charles Frame, Orangeburg.

It is the purpose of the County Commissioners if they employ a new County Agent to employ him under the supervision of a board which shall have representatives from every precinct of the county as members.

Some Facts About the Liberty Bond Issue

All questions about the present bond issue are answered in the following statement just issued by the Mason County Liberty Loan Committee:

These bonds are known as the Fourth Liberty Loan Bonds. The campaign for their sale started September 28, 1918, and will close October 19, 1918. The Government is offering \$6,000,000,000 worth of them and this sum has been apportioned among the various counties of the several states. Mason county's allotment is \$789,250.

The bonds will be dated October 24, 1918, bear 4 1/2 per cent. interest and will be payable October 15, 1938. The right is reserved by the Government to pay the bonds October 15, 1933. The interest will be paid April and October of each year. Bonds will be issued in coupon or registered form and in denomination of \$50, \$100, \$500, \$1,000, \$5,000, \$10,000.

Provision is made for payment of subscriptions in installments, as follows:

10 per cent. payable with subscription.
20 per cent. payable November 1, 1918.
20 per cent. payable December 19, 1918.
20 per cent. payable January 16, 1919.
30 per cent. payable January 30, 1919.

Or you can pay the full amount when you subscribe, or make any other arrangement that may be more desirable, with your bank. The banks will carry the bonds as collateral security on notes executed to them for the purchase thereof and will lend the money to purchasers for ninety days at 4 1/4 per cent. interest. Stamps are not required on notes executed in connection with Liberty Bond purchases.

These bonds will not be convertible into any succeeding issue. The only Liberty Bonds having such a privilege, after November 9, 1918, are the 3 1/2 per cent. bonds, being the first issue.

These bonds are exempt from Government surtaxes, excess profits and war profits taxes, to the amount of \$30,000.

There never was and there never will be a better bond, and every American should be proud to own some of them.
